ROCKVILLE.

The March term of the circuit court will convene here tomorrow with grand and petit juries in attendance.

A large number of guests attended a St. Patrick's dance at the Montgomery Country Club last evening. It was in charge of Mrs. Charles H. White, Mrs. Blose, and Miss Laura Higgins.

Frederick N. Zihlman, of Allegany county, has filed a certificate of his candidacy for the Republican Congressional nomination in this district to succeed Congressman David J. Lewis.

The members of the Rockville Inquiry Club were entertained early in the week by Mrs. William H. Holmes, at her home in Washington.

In compliance to Miss Elvy Terry, of New Orleans, who is visiting Miss Beale Brewer here, Mrs. Nicholas Brewer and Miss Beale Brewer gave a tea at the Montgomery Country Club yesterday.

The bill introduced in the legislature by Senator Eugene Jones providing for a bond issue of \$200,000 for new public school buildings in this county is understood to meet with the approval of all the county's representatives in the legislature.

Mrs. George C. Lewis and Mrs. George E. Lewis have returned from Baltimore, where they were guests for some time of Mrs. Daniel A. Willard.

After having spent several weeks in New Orleans visiting her uncle, Miss Lydia Chichester has returned to her home at Sandy Spring.

Mrs. J. Frank Wilson and daughter, Miss Virginia, are spending several months at Arkansas Hot Springs.

Miss Mary B. Hutton, of Sandy Spring, has gone to Chicago to visit Mrs. Mark Shields, formerly Miss Polly Janney, of this county.

Grocery Store Robbed.

Duplicate key workers entered the grocery store of Leon Katz, 401 I street southeast, early today. They stole a bicycle, a gray overcoat, a blue sweater and a quantity of tobacco, valued at \$28.

MR. MAHONY GAINS 8 POUNDS ON ONE BOTTLE OF DRECO

Washington Steel Co. man almost had to quit his job. Says new medicine put him on his feet again.

"I was in such bad shape I was almost ready to quit my job," said Mr. Mahony, of 22 Third street northwest. "But now I am feeling fine again thanks to Dreco. That sure is one good tonic. I was all run down, had no appetite, and I did force down food. It would disagree with me and sour and form gas which made me wish I had not eaten at all. I was subject to dizzy spells and had headaches, and my breath was bad. I did not sleep sound either. Some fellow over at the plant told me about Dreco so I decided to give it a chance on me, but to tell the truth, I didn't think it would help me. I am glad now I did for I feel like a different person. I do heavy work all the time, but I don't seem to mind it now. The dizzy spells don't come anymore. My appetite is good, and I have no more gas or sourness. I have gained eight pounds and feel good all the time. Dreco sure put me on my feet again. It is not strange at all that the fame of Dreco has spread so fast that practically everyone who takes a bottle becomes a booster for it. Dreco is sold at all O'Donnell drug stores. The Dreco Man is at the 904 F street store to meet the public and explain the merits of this herbal remedy. Also sold at Bury's drug store in Anacostia, Allen's drug store in Alexandria, Ford's drug store in Hyattsville. Price \$1.50 a bottle—Adv't.

ANURIC!

The Newest Discovery in Chemistry.

This is the recent discovery of Doctor Pierce, who is head of the Invalids' Hotel and Surgical Institute at Buffalo, N. Y. Experiments at Dr. Pierce's Hospital for several years proved that there is no other eliminator of uric acid that can be compared to it. For those easily recognized symptoms of inflammation—as backache, redness, urine and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, it is simply wonderful how surely "Anuric" acts. The best of results are always obtained in cases of acute rheumatism in the joints, in gravel and gout, and invariably the pains and stiffness which so frequently and persistently accompany the disease rapidly disappear.

Go to your nearest drug store and simply ask for a 50-cent package of "Anuric" manufactured by Dr. Pierce, or even write Dr. Pierce for a large trial package (10 cents). If you suspect kidney or bladder trouble, send him a sample of your water and describe symptoms. Dr. Pierce's chemist will examine it. Then Dr. Pierce will report to you without fee or charge. Note:—"Anuric" is thirty-seven times more active than lithia in eliminating uric acid, and is a harmless but reliable chemical compound that may be used only by grown-ups who actually wish to restore their kidneys to perfect health, by conscientiously using one box of more in extreme cases—as "Anuric" (thanks to Doctor Pierce's achievement) is by far the most perfect kidney and bladder corrector. Dr. Pierce's reputation is back of this medicine.—Adv't.

ALEXANDRIA READY TO GREET PASTORS

Four Open Meetings Arranged for Methodist Episcopal Conference.

ALEXANDRIA, March 18.—Four public meetings have been arranged in connection with the sessions of the annual Baltimore conference of the Methodist Episcopal Church South, which will convene in this city Tuesday. The meetings will be held Wednesday, Thursday, and Friday nights, and next Sunday at 2:30 o'clock. The first meeting will be given over to the Epworth League, the second to the Sunday school and the third to missions. Each will be addressed by distinguished members of the conference. The meeting Sunday afternoon will be in commemoration of the fiftieth anniversary of the Southern Methodist connection with the conference after the close of the war between the States. Bishop A. W. Wilson, of Baltimore, will be the principal speaker on this occasion. Bishop E. D. Moxon, of Texas, who will preside at the sessions of the conference, will arrive here Tuesday, and will hold a meeting Tuesday afternoon with his cabinet, composed of the eight presiding elders of the conference. The opening session will be held Tuesday night in the Southern Methodist Church, and the Rev. J. B. Winn, D. D. of Roanoke, will preach. Sessions of the conference will commence Wednesday morning at 5:30 o'clock, and will be held daily until 12:30, when luncheon will be served in the Young People's building. The afternoon will be given up to committee meetings, and all the churches of the city will be used to house the various committees. It is expected there will be 300 preachers and lay delegates at the conference.

Mrs. Mary D. Champion, forty-three years old, the wife of William B. Champion, died yesterday afternoon at her home at Hunter's Station. The funeral will take place from Wright's Chapel, Washington, at noon Tuesday, and burial will be in Congressional Cemetery.

Mrs. Hantam, wife of Harry Hantam, former superintendent of gas of this city, died yesterday at her home in Charlottesville.

She is survived by three sisters whose home is in this city, Mrs. James R. Pickens, Mrs. Charles Pickens, and Mrs. Robert Elliott. Her funeral will take place in Charlottesville tomorrow morning.

A large congregation attended this morning's sessions at the First Baptist Church, and heard the Rev. Dr. E. B. Jackson, the new pastor of the church, deliver his first sermon here since accepting the pastorate.

Mrs. Dickert died this morning at her home, Duke and St. Asaph's streets.

Funeral services for Miss Margaret Tomlin were held this afternoon from home in this city, Mrs. James R. Pickens, 315 Queen street, and were conducted by the Rev. E. B. Jackson, pastor of the First Baptist Church.

Richard Parker, the six-year-old son of Mr. and Mrs. Clarence Parker, 124 King street, is in a serious condition from burns sustained Thursday night, when his clothes became ignited from a box of matches with which he was playing.

A large congregation attended the service this morning in Emmanuel Church, this being the last day of the special preaching mission. The Rev.

Canon J. W. Austin, rector of Chevy Chase parish, spoke on "The Church, What It Is and What It Does For Us." The subject of tonight's sermon will be "What It Costs to Be a Christian."

Anacostia Lodge, No. 21, E. A. M., will have as guest tomorrow night Grand Master Jermans. There will be vocal and instrumental music. A smoker will follow the entertainment.

Mrs. William McCaffrey, of Ashville, is visiting her parents, Dr. and Mrs. C. H. Weiss.

The basketball team of Emmanuel Church Athletic Club will go to Alexandria Tuesday to play the Virginia Athletic Club team.

Condemnation of a strip of land running through the McCullough property at Brentwood, for the extension of Newton street, Mt. Rainier, to connect with the Washington-Baltimore boulevard, will, it is said, reduce the distance between Fort Myer and Annapolis by three miles if the "old stage route" be used for the proposed military boulevard between Washington and Annapolis.

The annual inspection of Company I by officers detailed from the army will take place tomorrow night.

J. Enos Ray, Jr., auditor of Maryland, has been elected president of the Prince Georges Bank of this place, succeeding Dr. Clarence J. Owens.

The Mt. Rainier-Brentwood Backpin League has been organized, and the following officers chosen: President, J. H. Babcock; secretary and treasurer, A. B. Clark; official scorer, G. A. Brown; captains, O. P. Anderson.

Arthur Smith, T. Schultz, and Z. A. Bean.

Councilman John G. Holden, of the Third ward, yesterday announced his candidacy for the office of mayor. The present mayor, Edward Devlin, declined to be a candidate to succeed himself.

Miss Angela Ervin, daughter of Dr. and Mrs. Dallas Ervin, entertained the Ravenswood Tennis Club at her home on Franklin street last night.

Doctor Says Nuxated Iron Will Increase Strength of Delicate People 200% in Ten Days

In many instances—Persons have suffered untold agony for years doctoring for nervous weakness, stomach, liver or kidney disease or some other ailment when their real trouble was lack of iron in the blood—How to tell.

New York, N. Y.—In a recent discourse Dr. R. Bauer, specialist, of this city said: "If you were to make an actual blood test on all people who are ill you would probably be greatly astonished at the exceedingly large number who lack iron and who are ill for no other reason than the lack of iron. The other reason for all their multitude of dangerous symptoms disappears. Without iron the blood at once loses the power to change food into living tissue and therefore nothing you eat does you any good; you don't get the strength out of it. Your food merely passes through your system like steam through a mill with the rollers so wide apart that the mill can't grind. As a result of this condition blood and nerve starvation, people become generally weakened, nervous and all run down and frequently develop all sorts of conditions. One is too thin; another is burdened with unhealthy fat; some are so weak they can hardly walk; some think they have dyspepsia, kidney or liver trouble; some sleep all day; some are fussy and irritable; some are thin and bloodless, but all lack physical power and endurance. In such cases, if you take Nuxated Iron, you will find your strength in ten days' time. It is dispensed at the expense of your life later on. No matter what any one tells you, if you are not strong and well you owe it to yourself to

make the following test. See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary nuxated iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous run down people who were ailing all the time double and even triple their strength and endurance and entirely get rid of their symptoms of dyspepsia, liver and other troubles in from ten to fourteen days' time simply by taking iron in the proper form, and this after they had been cases been doctoring for months without obtaining any benefit. You can talk as you please about all the wonders wrought by new remedies, but when you come down to facts there is nothing like good old iron to put color in your cheeks and good sound, healthy flesh on your bones. It is also a great nerve and stomach strengthener and the best blood builder in the world. The only trouble was that the old forms of inorganic iron like tincture of iron, iron lactate, etc., often ruined people's teeth, upset their stomachs and were not assimilated and for these reasons they frequently did more harm than good. But with the discovery of the newer form of organic iron all this has been overcome. Nuxated Iron, for example, is pleasant to take, does not injure the teeth and is almost immediately beneficial.

NOTE—The manufacturers of Nuxated Iron have such unbounded confidence in its potency that they authorize the announcement that they will forfeit \$100.00 to any charitable institution if they cannot take any man or woman under sixty who lacks iron and in four weeks' time, provided they have no other organic disease. Also they will refund your money in any case in which Nuxated Iron does not at least double your strength in ten days' time. It is dispensed in this city by James O'Donnell Drug Stores, Riker-Hegeman, People's Drug Stores and all other druggists.—Adv't.
